

Installation instructions dry bonding

Dear Customer, Dear Customer, We are pleased that you yourself for our high-quality Products have decided.

You have we get content following letter:

1. Display Protector / Laminate / felt squeegee as purchased at the auction
2. VAT invoice with proven
3. Mounting aid sheet (evident in the checkered paper)
4. Note where you our detailed installation instructions can find.

With the Digital Ultra Clear you have a film with high technical standard and quality purchased. This product is characterized by simple and easy assembly and excellent protection against scratches, abrasions and UV radiation. We hope you enjoy your new screen protector and thank you for the purchase of our product and the trust.

Help your assembly parts are into strips. We Recommendation strips about 1cm wide x 2.5 cm in length. These strips can be used quite often and when should you obtain help, so you know, for example no fingerprints on the adhesive side of the film leave. Of course you can slide even without the help unravel the assembly.

Pull the paper from the underside of the assembly line and stick to these strips on the protective screen. Place the strips with enough overhang so that you have sufficient space to touch you.

The stripes when you should obtain help so you do not have fingerprints on the adhesive side of the film leave.

Next, you clean the screen thoroughly, it should be bold and dust-free. Use this a cleaning cloth. Please do not use paper towels

Take the foil strip to the prison and moving the rear carrier material a little. If you just touch the mounting strip, you keep the Protection against unnecessary fingerprints.

The protective display on the device positioning. Well you need something with the squeegee pressure from below, starting in steady flows from the center left and right on the slide. Be sure that the film rests not predict before you to squeegee. Then again completely over squeegees.

Remove to end the prison stripes. It can be easily and without residue from the slide off.
